...welcome to the warmth
of colourful southern France...

Les Caves de Couleurs du Sud

CABERNET SAUVIGNON

VIN DE PAYS D'OC

A full-bodied yet crisp wine, with a crimson-red robe, giving off aromas of black fruits combined with a vegetable character to the flavour. The shrouded tannins give the wine a full and smooth sensation.

Served at 17°C, this *Couleurs du Sud Cabernet Sauvignon* can be drunk alone or with pork meats, red meats and game.
