LANGUEDOC ROUSSILLON

SYRAH

VIN DE PAYS D'OC

VIGNOBLES DU LANGUEDOC

For the Skalli family wine is much more than a profession, it is a tradition, built up over three generations with a pioneering spirit that is dedicated to discovering the potential of the Mediterranean and creating great wines.

Terroir :

The vines are implanted on both Villafranchiennes terraces with pebbles for concentration and finesse and on a chalky clayey soil for the fruitiness, freshness and balance.

Vinification :

The harvest is done during phenolic maturity. There is a coldly pre fermentation to extract color and fruit. The extractions are soft to obtain a silky structure.

Ageing :

30% is aged in barrels during a 6 month period to bring richness and complexity, whereas 70% is matured in tank stirring of the lees in for the roundness and sucrosity.

Blending :

This wine is produced from just one vine variety : Syrah

Tasting notes :

This Syrah, with its beautiful deep purple colour, presents an intense nose of sweet spices and liquorice. A lively palate offers delicious notes of liquorice, pepper and blueberries with a smooth, toasted finish. Served at 16°C, this wine can be enjoyed immediately.
